Superior Watch Co. to Erect \$-Million Plant at Frankfort

A new industry for Frankfort in the form of a factory to manufacture book matches is practically assured, it was announced this week following a meeting of the village board Monday night.

Harold Meitus, president of the Superior Match Co., which has a plant now at 7530 Greenwood ave., Chicago, who was at the meeting is quoted as saying that the factory at Frankfort would employ approximately 450 persons of which 350 would be women. Most of the employees, it was indicated, would be drawn from Frankfort and the surrounding area. It means a million dollar business for Frankfort.

The proposed plant, which would be located between the Michigan Central and EJ&E tracks at the southwest corner of the community, would be 500 feet long and 250 feet wide. Mr. Meitus was quoted as telling board members. It is to be air conditioned and the exterior and grounds are expected to follow that dressed up appearance which appears to be the trend in planning modern factory buildings.

The plant is to be located on a 25 acre tract owned by Arthur Bauch and the Garland Knippel estate.

The property lies within the village and before it can be put to industrial use it must be rezoned. The Frankfort village board agreed to go along with the rezoning and will make an adjustment in water rates. The company's plans call for erection of a 250,000 gallon water storage tank but it will use village water.

The factory site is within the village and has Locust street on the west and Maple street on its eastern boundary. The company would have the village vacate Pacific street, where the factory entrance is planned, and the board has agreed to take the necessary action. Water mains will be laid to the plant site.

Negotiations between the company and village officials and leaders have been going on for sometime. Several months ago a survey was made to determine the amount of labor available in the area but everything was kept under hatches until this week when it became public.

Indications are that building will be commenced as soon as formalities can be cleared away to permit work on the project.

Easter is not a passport to another world; It is a quality of perception for this one.

Ludwig Wins Committee Fight In Orland Twp.

The battle for committeeman of Orland township on the Democrat ticket brought out a heavy vote in Tuesday's election.

Andrew Ludwig was re-elected as Democrat committeeman, polling 209 votes to 144 for Frank Guetter and 49 for William McAleer, Jr.

I. A. (Ike) Cleveland, Republican committeeman for Orland township, was re-elected without a contest. Cleveland received 170 votes.

The Demos cast 157 ballots in the first district in Orland, 119 in the second and 133 in the third, for a total of 409. The Republicans cast 78 in the first and 46 votes in each of the other two voting places.

Tyrell Clarke and Harold A. Hoover are the Republican nominees for state representatives in the second legislative district. Both are incumbents. They will have another go next fall because the Democrats had three candidates in the primary and have nominated two. Since three persons are elected from a district, someone will be beaten in November. Mrs. Clara Smollen, of Lemont, Frank X. Downey, Oak Lawn, now winding up his first term in the assembly, and John Dohm are the three candidates. Mrs. Smollen led her two fellow candidates in Orland township with 538 votes to Downey's 309 and Dohm's 281½.

Court Rules State Can't Collect Tax On Aircraft Fuel

(CNS) Superior Judge John Bolton has entered a permanent injunction restraining the state from collecting a five cents a gallon motor fuel tax on sales of aircraft fuel.

In his ruling Judge Bolton held that "aircraft operators are liable for no part of Illinois motor fuel tax on motor fuel used for aircraft on runways and in the air."

However, the state may continue collecting the tax pending a ruling by the Illinois Supreme court, where the state has appealed Judge Bolton's order.

Will county Republican nominated Roy C. Doerfler, present sheriff, for county treasurer and Gilbert A. Kanter, is the party's choice for sheriff in the only contests on the county ticket in Tuesday's GOP primary.

In the only two district contests on the ticket the Republicans nominated State Senator Lottie Holman O'Neill, of Downers Grove, and Congressman Noah M. Mason, now up for another term from the 15th district.

Mason, as usual overwhelmed his opposition—this time it was Daniel Palmer Mitchell—but Senator O'Neill, who has served in the Illinois assembly steadily since 1923—the last eight years as senator—had a close run of it. Her opponent, Harris W. Fawell, of Naperville, an assistant state's attorney, came within 1,006 votes of taking the championship, according to the unofficial returns.

It was Will county that elected Sen. O'Neill. She carried here 6,407 to Fawell's 4,940 but lost DuPage by 461 votes. Fawell's vote in DuPage was 15,586, that of Sen. O'Neill 15,125.

House Speaker Warren Wood and Louis F. Bottino, Republican house members representing the Will county district, had no opposition. State Representative Francis J. Loughran, the Democrat member, smothered his opposition. He was opposed by P. Jay Davis of Monee. Since only three are elected in November the three nominees may be acclaimed now as victors.

The Democrats had a two-way battle for the nomination for congressman that is going to Dorothy O'Brien, of DeKalb, who is giving Stanley Hubbs, of Will county quite a trouncing.

Crackel Elected

The Demos had but one county contest, for sheriff, and the results were looked upon with considerable amazement by politicians. John J. Long, Joliet, the choice of the Democrat county central committee for the sheriff's nomination, drew opposition in the person of one William Keltz.

Long won the nomination, as was expected, but what amazed observers was the fact that unofficial returns show Keltz, unknown except to authorities received 1,052 votes. Long received 2,933 votes.

On the Republican ticket Gilbert A. Knater, formerly of Frankfort, received 8,326 for the sheriff's nomination; Carl A. Meyer, real estate salesman and assistant supervisor from Joliet, 3,310 and Irene Grewenig, of Lockport, 262.

Sheriff Roy C. Doerfler, who was a candidate for the GOP nomination for county treasurer, won it easily, polling 9,312 votes to 2,386 for Frank M. Wesoloski, Wesley township (Continued to Page 16)

Voters to Cast Ballots Saturday In School Elections Thruout Area

Thruout the area school elections will be held Saturday, April 12. Voters will elect members to board of education, school directors, and in some cases vote on raising the educational rate.

Residents need not be registered in order to vote, but will be required to sign an affidavit to the effect they are citizens, residents of the state for one year, of the county 90 days and the district 30 days.

The larger school district polls will be open from 12 noon until 7 p.m. In the smaller districts, where a director is to be elected, a caucus will be held at 4:45 p.m., with polls open from 5 to 7 p.m.

Kirby School

The Kirby school district 140 is seeking an increase in the educational rate from 1.13 per cent to 1.34 per cent as assessed by the department of revenue. Under the proposed rate it is estimated the approximate amount of taxes extendable for educational purposes would be \$22,742.86 rather than \$19,177.98.

One school director for the full term will also be elected. The polling place is the Kirby school. The polls will be open from 12 noon until 7 p.m.

Cooper Grove

An increase in the educational rate from 1.17 per cent to 1.38 per cent is being sought in the school district 160 election. This would raise the approximate amount of taxes extendable for educational purposes to \$16,399 rather than \$13,904.

The district will also elect a board of education consisting of seven members.

The polling place is the school house located at 18400 So. Central ave. Polls will be open from 12 noon until 7 p.m.

Doctor, Maue, Hollstein

The Doctor, Maue, and Hollstein schools, districts 137, 138, and 139 respectively will elect one school director for a full

5 Candidates on Ballot in Mokena School Election

Voters in school district 159 Mokena, will elect three members to the board of education for the full term of three years.

The three whose terms on the board will terminate are James W. Stewart, Walter Shewski and Gordon Bruce. Only Stewart is a candidate for re-election. The other candidates are: Edward L. Fant, Norval K. Robinson, Kenneth W. Sherwood, and David W. Noble.

Six Seek School Posts at Frankfort

The school election in Frankfort Saturday is promising to be of interest inasmuch as there are six candidates running for the three offices.

In the school district 157, the incumbents, George Tate and Vernon Hansen, each three year terms and Walter Mark, to fill an unexpired 2 year term are all running for re-election.

Also candidates for three year terms are Leonard Patterson and Cornelius Wieringa and Dr. Claude Otto for the two year term.

The election will be held in the Frankfort public school with the polls being open from 12 o'clock noon to 7 p.m.

Hold Up Funds to Improve Oak Forest Hospital

(CNS)—The county board is holding up \$1.5 million in improvement projects for Oak Forest Hospital pending a complete review of the rehabilitation program for the institution.

Contracts totaling \$1,501,472 were about to be awarded Monday when Commissioner John Mackler Jr. complained the work wouldn't add any hospital beds.

Dissension broke out over the main purpose of the institution. Mackler said: "We shouldn't spend any money on this until we have a program where we know where we're going. I'm for keeping it as a nursing home."

Retorted Board President Daniel Ryan: "The type of patient we're getting is strictly 'hospital', whether you like it or not."

Debate ended with Commissioner John Duffy saying: "We're all up in the air here now as I see it. I move we defer action on the Oak Forest bids until our hospital committee meets and determines policy."

The bids received are for work to bring the institution up to standards demanded by the state hospital licensing board. Money to pay for the projects will come out of a \$9,000,000 bond issue approved by voters in a referendum last June.

The hospital's chronic disease unit, licensed by the state in 1956, has room for about 2,364 patients and the tuberculosis unit accommodates 400 patients.

In urging more space for hospital beds, Mackler pointed out there's a four-months waiting list to get into Oak Forest "and that's not good."

Duffy said: "The bond issue money was earmarked for rehabilitation to bring the institution up to the standards demanded by the licensing board of the State of Illinois. Certainly we need more bed space, but I'm not sure the bond money can be spent for that."

Mackler said, if necessary, he'll favor another bond issue for the November election to provide funds to increase the size of Oak Forest.

Commissioner James F. Ashenden, chairman of the board's Oak Forest committee, said he'll call a committee meeting within two weeks to review the program from top to bottom.

Emma Myers, Formerly of Frankfort, Dies

Mrs. Emma E. Myers, 67, nee Sippel, former resident of Frankfort, died in her home in Los Angeles, Calif., Sunday morning after a lingering illness.

She was born in Green Garden township Feb. 17, 1891, the daughter of the late Mr. and Mrs. Conrad Sippel, and moved with her parents to Frankfort when she was five years old.

She attended the Frankfort public schools and after graduating attended the Conservatory of Music in Joliet as a piano student, from where she also was graduated. Later she studied piano in Chicago. For many years she taught piano to a large class of Frankfort students.

On Nov. 3, 1915 she was married to Wilber E. Myers of Joliet, and lived there for several years where her husband was employed by the E&E rail road. In 1917 they moved to Los Angeles where her husband accepted a position with the Southern Pacific railroad. They have lived there since. They

Woman's Club at Orland Park Will Hold Annual Meeting Wednesday

The annual meeting and covered dish luncheon of the Orland Park Woman's club will be held Wednesday, April 16 in the home of Mrs. Fred Blackstone, Orland Park starting at 12 noon.

At the business meeting the chairman will give their annual reports, which will include that of the district art contest. There will be an exhibit of the paintings of these contestants. Mrs. Harry Anderson will present the local club's awards to the winners. The newly elected officers will be installed.

Reservations will be taken for the spring luncheon to be held May 21 at Mickleberry's in Park Forest, at which time the club will observe its 25th anniversary. A special program will be given telling the events and activities of each president serving thru these years.

Announcement was made of a white elephant sale to be held Friday, April 18 in the home of the president, Mrs. Karl Ekberg starting at 9:30 a.m. Luncheon will be available during the day. The proceeds will be given to the Cancer fund.

have no children. Mrs. Myers visited with her family in Frankfort frequently during the years.

Surviving, besides her husband, are two sisters, Mrs. Christ (Katherine) Fink, and Mrs. Margaret Koerner, both of Frankfort.

The body was shipped here, arriving at the West End Funeral home in Chicago Heights Wednesday where services will be held this afternoon at 1 o'clock with the Rev. Erich Bizer, pastor of St. Peter's United Church of Christ, officiating. Burial will be in Pleasant Hill cemetery, Frankfort.

May Day is Law Day, Stratton Proclaims

Barnabas F. Sears of Chicago, president of the Illinois State Bar Association, announces that Gov. William G. Stratton has issued a proclamation naming May 1 as Law Day USA thru Illinois. The Governor's action supports a proclamation issued last month by President Eisenhower calling for "a day of national recognition to the principle of government under law."

Stratton, in proclaiming Law Day USA, called upon "all civic organizations and the public schools to join in its observance thru special programs to demonstrate to the world that the American people are united in their determination to observe the way of life which our institutions of law and justice have made possible."

He added that the special day "is to be set aside this year for recognition of the role that law has played in American life, and for rededication of the American people to its principles."

YMCA Offers Camp Program For Children

The Southwest Suburban YMCA is offering a camping program for boys and girls eight years of age and older at Camp Martin Johnson, located on Big Bass lake in Iron, Mich.

The program will include boating, swimming, nature study, fishing, camp craft, cook outs, handicraft, archery, land games and many other activities. There are three "villages" with six cabins in each at the campsite. Each cabin has four double deck bunks with quarters for a counsellor.

The camp period is from June 16 to June 27. The fee of \$55 for YMCA members, with 20 per cent additional for non members, includes transportation, food, lodging, insurance, medical attention at camp, camp activities, bedding, and counselling service. A registration fee of \$10 is required, with the remainder of the cost to be paid before departure in June.

Additional information may be obtained at the Southwest Suburban YMCA office at 94th and Knox, Garden 4-8100, or the Palos-Orland YMCA office, located in the Palos Park village hall on McCarthy rd. and 89th ave., Gibson 8-3888.

A day camp summer program is also planned by the YMCA.

There will be two periods at the Palos Day camp, the first, July 7 to 18, and the second period, Aug. 4 to 15.

Further information may be obtained from George Shriver GI 8-3888.

Orland Junior Woman's Club to Elect Officers at Meeting Monday

The final meeting of the year for the Orland Park Junior Woman's club will be held Monday, April 14, at 8 p.m. at the home of Mrs. Clarence Creer, at Orland Park. Members are asked by the Veterans Affairs chairman to bring bakery goods which will be given to the soldiers of the Orland NIKE Unit.

Mrs. Oscar Enk, president of the club, attended the third district junior board meeting at Ridge Park field house March 28.

Nominations were presented for the officers to be elected at annual night meeting.

Evergreen Park Juniors won the sewing contest conducted by the American Home department.

It was announced that two new Junior clubs have applied for membership in the district; Tinley Park and Oak Lawn.

One Hospitalized After Passenger Car Rams Moving Truck

Arthur Boat, 34, of Frankfort, was hospitalized as a result of a highway accident Wednesday night of last week. His two companions, Charles Mark, 18, driver of the passenger car involved, and Allen Schram, 16, both also of Frankfort, were treated at Silver Cross hospital and released. Boat was admitted for further observation and treatment. He is suffering from head injuries.

The accident occurred a little after 8 o'clock on U. S. 30, about a mile west of Wolf road. According to state police, Mark, heading west, was driving too fast for conditions and rammed the rear of a semi-trailer traveling in the same direction. Police gave Mark a ticket.

Driver of the truck, Thomas Reynold, 42, of Montreal, Canada, escaped injury. The three occupants of the passenger car were taken to the hospital in the Baskerville ambulance.

Albert Braun Last Blacksmith In Area, Dies

Albert J. Braun of Mokena, 78, believed to have been the last working blacksmith in the area, died Sunday, April 6 in St. Joseph's hospital, Joliet, where he had undergone surgery last week.

He was born in Spencer, near New Lenox, Oct. 3, 1879, the son of the late Mr. and Mrs. Henry Braun. He moved to Mokena with the family when he was a small child, where his father established a blacksmith and horseshoeing business. He always enjoyed being in his father's shop. When a young man he followed the blacksmith trade and later took over his father's shop when the latter passed away. He had been a blacksmith for more than 53 years, the latter years just doing general repair work. And of course he gave up shoeing horses years ago, there being few horses left.

He was united in marriage with the former Miss Frances Suszycki of Wisconsin on July 23, 1907, and the couple made their home in Mokena. They had no children.

He served as a trustee of the village board for more than 30 years, during that time con-

crete side walks replaced the wooden walks, and electricity and gas services were extended to Mokena. He served as a member of the board of St. John's United Church of Christ for many years and was a member of the former Men's club of Mokena.

Besides his wife he is survived by two sisters, Mrs. Amanda Peterson of Joliet, now temporarily living in Florida with a son, and Mrs. Elsie Schweer, Misawaka, Ind., a nephew Francis Peterson, Florida; two nieces Mrs. Genevieve Morgan, Anderson, Ind., and Miss Jean Schweer of Bloomington, Ind.

Removal was made to the Hirsch chapel at Tinley Park from where the remains will be brought to the St. John's church in Mokena at noon Wednesday to lie in state until 2 pm. In the absence of the pastor, the Rev. Erich Bizer of Frankfort officiated at the services. Burial was made in St. John's cemetery, Mokena.

It's Time to File That Tax Again

The present business recession will affect the amount Uncle Sam collects from his citizens in 1959, but now is the time to fork out for income collected in '57.

For those who have not as yet filed their income tax return, and that applies to the greatest percentage of taxpayers, time is growing short. The deadline for tax returns is April 15. You can't put it off any longer.

Hulett Corp. Gets Contract For Water Main

The Hulett Corporation was awarded a contract by the Village of Tinley Park to install a water main extension from the pump house, under the Rock Island tracks to Hickory st.

The transmission line will have a 10 inch main. Eventually it is planned to extend the water main to the Barrett subdivision.

Hulett was the low bidder for the job in response to advertising by the village for bids.

According to Trustee Allen Verhage, water chairman, work is expected to start on the main installation in about 30 days.

Candlelight Ceremony Unites Kathryn Ullrich, Donald Hoffman

Miss Kathryn Ann Ullrich, of Monee, and Donald Keith Hoffman, of Peotone, were united in marriage at a candlelight ceremony in the Green Garden Methodist church, Saturday, March 29. The Rev. John B. Vautrin officiated at the double ring ceremony.

The church was beautifully decorated with palms and white carnations.

The bride is the daughter of Mr. and Mrs. Harold Ullrich, of Monee. The groom's parents are Mr. and Mrs. Raymond Hoffman of Peotone.

Organ music for the wedding ceremony was played by Duane Werner, a cousin of the groom.

The soloist, Miss Mary Ann Frahm, sang "Because" and "The Lord's Prayer."

Escorted down the aisle by her father, the bride was radiant in an ankle length gown, Lily of Valley designed, of embroidered nylon, fashioned with a scalloped scoop neckline, fitted bodice, long tapered sleeves and a bouffant skirt of ruffled tiers.

She wore an illusion veil held in place by a Queen's coronet, adorned with seed pearls and iridescent sequins. Her only jewelry was a single strand pearl necklace, a gift of the groom. She carried a white orchid surrounded by stephanotis.

Miss Carol Ullrich, sister of the bride, served as maid of honor. She wore a tile blue ankle length crystalette gown with matching hat and gloves. She carried white daisies.

The bridesmaid, Miss Phyllis Bisping, wore an ankle length gown of blue crystalette with matching hat and gloves. She carried white daisies.

The candlelighters, Miss Barbara Jacobs, and Miss Anne Lehnert, of Peotone, wore identical gowns of blue crystalette with daisy headbands and daisy wrist corsages.

Flower girls were the Misses Karen Anderson, cousin of the bride; and Miss Cindy Wassman, cousin of the groom. They wore identical gowns of blue crystalette with daisy headbands. They carried baskets of rose petals.

Roger Ullrich, brother of the bride, was best man; Claude Werner, cousin of the groom, groomsmen; Terry Siemsen and Walter Alders were ushers. All of the attendants were groomed in formal attire, and had pink carnation boutonniers.

The bride's mother wore a navy blue crepe gown with matching accessories.

The groom's mother wore a gown of dusty blue crepe, with matching accessories. Both had pink carnation corsages.

Attending the wedding were grandparents of the young couple.

At the reception following the wedding, Miss Beverly Torok, served at the punch bowl, and Miss Marlene Schwiesow, poured coffee.

The couple is now living at 302 W. Nevada st., Urbana, where he is attending the University of Illinois, majoring in agriculture.

The bride graduated from the Peotone High school and is a secretary, dairy bacteriologist, at the University of Illinois.

Louise Houk, E. G. Hollenbeck Exchange Vows

Mrs. Louise Houk, daughter of Mr. and Mrs. Carl Jacobsmeyer, 136 E. Wood st., New Lenox; and Edward G. Hollenbeck, East Circle drive, Lincolnwood Hills, New Lenox, son of Mr. and Mrs. Herbert Hollenbeck of Homewood, were married Saturday, March 29, at 2:30 pm. in St. John's Evangelical Reformed church at Mokena. The Rev. William Reimann officiated at the double ring ceremony.

Mrs. Lydia Ryan, Mokena, organist, played appropriate selections as the guests gathered and during the service.

Mr. and Mrs. Donald Warning of New Lenox attended the couple.

A reception for friends and relatives was held immediately after the ceremony in Flossmoor in the home of Mr. Hollenbeck's sister and brother in law, Mr. and Mrs. L. G. Morey.

A wedding dinner was held for members of the bridal party and immediate families in the evening, at the home of a niece of Mr. Hollenbeck's, Mrs. James Overall, in Chicago Heights.

The newlyweds are residing in their home on East Circle dr. Lincolnwood Hills, New Lenox.

Palos-Orland Y Plans Reducing Class for Women

The Palos Orland YMCA is planning a series of weight reducing classes for women beginning Monday afternoon, April 21, according to George Shiver, program secretary of the 'Y'.

The program consists of a choice of high protein, low calorie diets which actually make it fun to lose weight in the company of other women. Besides learning to eat correctly members of the class will be taught personal make up and colors, skin care and good grooming, posture and walking, hair care and styles, fashion, wardrobe planning and many other things of interest to the ladies.

Mild exercises are given to build up sagging tissue left by loss of weight from the diet.

Some of the women who have taken the course lost as much as 24 pounds in the eight weeks.

Class will be held every Monday afternoon from 1:00 until 3:00 p.m. at the Palos-Orland YMCA in the village hall at Palos Park, 89th and McCarthy road. Any women interested in enrolling in the course are asked to be present at the Palos Park village hall at 1 pm. Monday, April 21.

Zion Ladies Aid Buys Refrigerator For Church Kitchen

The Zion Lutheran Ladies Aid met April 2 with 35 members present and four guests. The rag rug committee reported there were rugs on hand. The Sew and Sew committee met at Mrs. Harriet Wagners. The Big Sister program was reported well under way with some members receiving letters from their new friends at the Muscatine Lutheran Homes.

The members voted to purchase a 27 cu. ft. Frigidaire for the church kitchen and appreciation was expressed to the committee who had worked so hard locating a refrigerator the right size.

Mrs. Ethel Rauch and Mrs. Pauline Taylor will be in charge of the bake sale to be held April 25. Mrs. Agnes O'Neill will pick up the items.

Mrs. Mable Manzke will write to the servicemen this month. After the meeting Mrs. Mabel Lanfrusti introduced Mrs. Kenneth Crandall who showed slides taken by the Rev. Crandall on his trip to the Holy Land.

Mesdames Dorothy Diekman, Harriet Wagner, Anna Schoeneck, Fern Lovegren and Anna Bettelhausen served refreshments on tables decorated with Easter eggs and bouquets of pussy willows and forsythia.

model of the proposed library will be displayed by a member of the library board.

RAMS SEMI-TRAILER—This is the car driven by Charles Mark of Frankfort that collided with the rear of a semi-trailer on U. S. 30 on Wednesday night of last week about a mile

three-year term. At the Doctor and Maue schools a caucus will be held at 4:45 p.m. and polls will be open from 5 to 7 p.m.

At the Hollstein school a caucus will be held at 4:30 p.m., with polls open from 5 to 7 p.m.

Orland Center

In Orland township, voters will elect one school director for the full term in district 136. They will also vote on whether the maximum tax rate for educational purposes be established at .92 per cent instead of .71 per cent, the maximum rate now applicable to the next taxes to be extended.

Under the proposed rate the approximate amount of taxes for educational purposes would be \$11,148.00. Under the existing rate the taxes to be extended is \$8,604.

The polling place is the Orland Center school, southwest corner of 94th ave. and 151st st. The polls will be open from 4 to 7 p.m.

Sandburg High

Three members of the school board will be elected in High school district 230, Orland township. Three of the precincts for this election are the Orland Park school, 143rd st., Hollstein school, 175th st. and the Palos school, 119th and 88th ave.

School elections in the past have aroused little public interest, with less than five per cent of the voters turning out.

The many school problems due to increased enrollment, difficulty in obtaining qualified teachers and the ever-increasing costs of education, have focussed public attention, it is claimed—except on election days.

WILL COUNTY

Three members of the board of education Mokena school district 159 will be elected.

Voters in the district will also determine whether the educational tax rate be established at .86 per cent instead of .65 per cent, the maximum rate otherwise applicable to the next taxes to be extended. Under the proposed rate the approximate amount extendable will be \$44,055.56 and the approximate amount otherwise applicable is \$33,297.81.

The Mokena public school is the polling place. Polls will be open from 12 noon until 7 p.m.

At the Haven school, New Lenox, residents of school district 122 will elect three members to the board of education. Polls will be open from 12 noon until 7 p.m.

A caucus will be held in the Weitendorf school, district 154, at 1:30 p.m. for the purpose of electing one school director. Polls will be open at 2 p.m. and close at 3 p.m.

The polls will open in the Homer Consolidated school, district 33-C, from 12 noon until 7 p.m. in order to elect two members of the board of education for the full term.

PMA Head Wails Over Decrease In Support Prices

Secretary of Agriculture Benson's action lowering the support prices on manufactured milk products from \$3.25 to \$3.06 per hundredweight on April 1 will most seriously affect dairy farmers of the middle-west and will not correct the supply-demand situation, Walter E. Winn, president of Pure Milk Association, declared today.

Government buying prices for the 1958-59 marketing year are lower by 1 3/4 cents per pound for butter, 2 1/4 cents per pound for cheese, and 1 3/4 cents per pound for nonfat dry milk than buying prices for the past marketing year.

Most of the milk used in the manufacture of dairy products is produced in the middle-west. Since fluid milk prices for this region are also based on the price of manufactured milk, they will also feel the full weight of the reduced support

price, Mr. Winn pointed out.

"Midwest Hurt Most"

"Dairy farmers of other regions will feel the effect of the secretary's action less keenly than those in the Chicagoland area, he said. Least seriously affected will be dairymen of the New England, Middle Atlantic, and South Atlantic states because in those regions the average buying prices for milk for fluid milk use are consistent

ly around \$2 per hundredweight above the Chicago market price.

Mr. Winn emphasized that the reduction in the producer support prices will not correct supply and demand.

"The record of our production since 1952 has been a steady increase in farm prices," he said. "Greater volume per farm has been the dairyman's only means of paying his bills with lower milk prices.

"There is no evidence that lower farm prices have been translated into greater sales," he continued. "The per capita sales of all dairy products in milk equivalent were the lowest in 1957 of all records."

He stressed that the loss of income which dairy farmers will sustain through Secretary Benson's action will be all out of proportion to any savings made to the government.

"The way you get experience quickly is to start looking for something else."

—Barry Sullivan.

WINNERS GET TROPHIES—At a special assembly in Bremen high school gym, A. Hunter Chapman, superintendent of Lincoln-Way high school and president of the Southwest Suburban Conference, presented two championship trophies to the Midlothian school, Bremen high's varsity basketball team won the conference championship for the 1957-58 season, as did the Bremen frosh-soph squad. Bre-

men superintendent, T. R. Birkhead (extreme left) accepted the trophies for the school. The others in the picture, continuing from left to right, are, Richard Zuege, frosh-soph coach, James Mifflin, captain of the frosh-soph team, Supt. Chapman, Dale Hartwig and Jerry O'Neil, co-captains of the varsity, and William Brown, varsity coach.

More Boys May Register For Baseball Teams

Officials of the Tinley Park baseball program invite all boys, ages 9 to 15 years, to register for places on organized Little League and Pony League teams.

Another registration date will be announced shortly to be held in the Central school. Registrations were taken at the school two evenings last week.

As many more boys can be assigned to teams, Francis Meakim, president of the league, invites parents to encourage their youngsters to register for the program and to accompany them at the time of registration.

A donation of \$4 per family is being requested of boys who register. This is not a compulsory item, it was said. Officials agree this is the best method to raise the needed funds to purchase baseball equipment and outfit teams.

Applications may be obtained from Meakim at his home, 6673 Pine Point drive, or any of the officials.

Announcement of the date of registration will be made at the schools.

Tryouts will be held May 3.

Mrs. Lydia Ryan attended the sacred concert last Friday afternoon in Orchestra hall, when Verdi's Requiem mass was sung by the chorus of the Chicago Symphonic orchestra which the latter accompanied. Fritz Reiner was the conductor.

John Suszycki of Reedsburg, Wis., came last Friday to be with his sisters Mrs. Al Braun and Mrs. Carrie Mattes. They received word the next day of the death of their brother, William who died Saturday in his home in Los Angeles.

Relatives gathered in the new home of Mr. and Mrs. Joe Heim last Sunday for a house warming. Present were her parents, Mr. and Mrs. Albert Hellmuth, Mr. and Mrs. Edward Walsh and family, Mokena; Mr. and Mrs. Kurt Hellmuth and family, and Mr. and Mrs. Joseph Schmitz and family Chicago; Mr. and Mrs. John Schere, Mr. and Mrs. Albert Agazzi and families, Joliet and Larry Troutman, Marley. After a sumptuous dinner, a pleasant time was had by visiting. The guests presented a purse of money to the Heims.

Mrs. Minnie Barnes, well known in Mokena returned to her home in Joliet Wednesday from Silver Cross hospital where she has been a patient following a heart attack last Friday in her home. She was under oxygen.

The meeting of the Women's guild of St. John's church will be held in the church parlors Thursday, April 17. Dessert-coffee will be served at 1:30.

The Rev. Otis E. Young will be the speaker taking as his subject, "Our Mission in American Communities." Hostesses will be Mrs. Lester Christiansen, chairman, assisted by the Mesdames, Joseph Alexander, Conrad Bettenhausen, Jake DePorto, Anna Hensel, Roy Krapp, Frank Sievert, Fred Yunker and Ben Yunker.

Mrs. Irving Howes has sold

her home on Bryant st. to Byron Hill of Chicago. Mrs. Howes and son Ross and foster son Steven, if arrangements can be made, plan to leave Mokena about June 1 and spend the month visiting relatives in Illinois and Wisconsin. In July they will go to Lexington Park, Md., to visit her daughter Judy whose husband Philip Marcellis is stationed there with the navy. After leaving there they will go to Odessa, Texas where her daughter, Phyllis and husband James Benfield live and where Mrs. Howes plans to make her future home.

Guests at Easter dinner of Mr. and Mrs. Henry Shevlin, were their daughters, Mr. and Mrs. James Horras and son and Mr. and Mrs. Emory Fulton and daughters and Mr. and Mrs. Bert Fulton, of Tinley Park and Mrs. Florence Shevlin of Chicago.

Mr. and Mrs. Raymond Westlund and son, Mr. and Mrs. Marvin Smith, Mrs. Clida Deamore, Mrs. Margaret Semmler and Mr. and Mrs. Robert Oestreich and family and Theodore Oestreich of Joliet had Easter dinner in the Louis Joliet hotel. The group spent the evening in the Oestreich home.

Mr. and Mrs. Stanley Williams entertained Sunday in their home in honor of their son, Daniel Lee, who was confirmed in St. John church that morning. Present were 50 relatives from Frankfort, Wilmington, Chicago, Harvey, Steger, Peotone, Green Garden, Joliet and Mokena.

The Rev. Karl Meyer, D. D., chaplain of the Evangelical hospital, Chicago, and the executive secretary of the new Christ Community hospital in Oak Lawn, will be the guest pastor in St. John's church Sunday at the 10:45 service.

Trading Post

There will be another Trading Post sale at the Methodist church in Tinley Park, Thursday, April 17 starting at 10:30 a. m. The entire community is invited to attend. Merchandise will consist of wearing apparel in good condition, household appliances and children's furniture. Refreshments will be served.

THE MOTORIST AND MORAL RESPONSIBILITY

(From the Illinois Division of Traffic Safety)

Is the motorist involved in an automobile accident, although legally absolved of guilt, still free from all moral responsibility in the same accident?

Might not his attitude toward driving have prevented his making an evasive maneuver that, although he was legally right in pursuing his regular course of action, would have prevented the accident in which another human being may have been destroyed?

We, as a God-fearing nation, hold ourselves up as the epitome of culture and progress, yet annually we exact a toll of human life and suffering which would make the most blood-thirsty savage more than hesitate, and yet—cultured, intelligent, and moral as we are—are heedless of this problem, more than heedless, apathetic. We concern ourselves with saving the lives of people stricken with disease and spend billions of dollars and millions of man-hours seeking the cure of these diseases, yet the greatest single killer in our nation today is not disease, not war, but Traffic Accidents. There is no vaccine, no quick inoculation which can cure this evil. We as a people expect government to protect us, yet this is far from the answer. Certainly authority can materially reduce the slaughter by making the motorist drive more carefully from a fear of being denied the privilege of driving. And there are certain drivers that can only be controlled in this manner, but the great majority of people involved in traffic fatality accidents—and accidents is a poor word for it for they are not really "accidents"—are people who are ordinarily law abiding citizens.

The question is: Are we a nation of moral people or a nation of rationalized morality? We, as a social or culture group, are quick to condemn infidelity, dishonesty, or other violations of our mores, yet we sympathize with the motorist who breaks the christian precepts of tolerance and civil obedience. This may be due to a feeling that speeding is such a minor transgression and speed limits are not moral obligations and that a violator should be excused readily, and even sympathized with. Let us examine this reasoning.

Agreed that the act of violating a traffic law in itself does not constitute an injury to another, either financial or physical. Traffic regulation differs from criminal regulation in one respect—traffic laws are based on the prevention of an act

SAFETY SIGNS—posted thruout the school district 160, in the Country Club Hills area, were donated by Harvey Moose lodge to protect the children in the district. Standing along a sign just installed are left to right Gust P. Miller, Governor of Moose Lodge, Bill Marquardsen, president Citizens Committee, George Hein, of Moose and Citizens Committee publicity staff, and Dan O'Keefe, Rich Township Road Commissioner.

Girl Scout News

Girl Scouts began on March 31 to sign up for established camp.

The camp for Trailways Girl Scouts council will be held at Camp Heffernan, Lake Bloomington. There will be two one-week sessions, July 21-27 and July 27-Aug. 2. The cost is \$25 per week. Registration must be made by mail, beginning March 31. Complete mailing directions were included in the camp bulletin distributed to all Girl Scouts and Brownies at troop meeting this week.

The camp fee includes transportation to and from the campsite which is near Lexington, north of Bloomington.

The camp program will include swimming this year under a corps of qualified Red Cross water safety personnel. Other activities include, boating, canoeing, nature campcraft, hiking and cook-outs. Many of the program details will be worked out by the campers themselves to give them a share in planning, announced Mrs. John D. Harder Morris, camp director. Mrs. Ariel Mortvedt, of Joliet is the camp chairman.

After the first of May, if the camp is not filled, Girl Scouts from other councils will be accepted. All Scouts of Mokena are urged to mail in their registrations promptly March 31, or as soon as they can, to insure their getting to camp at the date of their choice.

The Bloomington campsite is being rented by the Trailways Council for this summer. One of the chief goals of the Trailway Council is to have its own camp. Funds from the cookie sale now in progress will be saved for this project. The council receives 15c for each box of cookies sold and each troop receives 2c for each box sold.

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

Jimmy McIntosh, son of Mr. and Mrs. John McIntosh, celebrated his 2nd birthday, April 4

Mr. and Mrs. Nels Benson of Big Run Golf course entertained relatives at an Easter dinner. Ivar Benson of Orland and Mrs. Karl Ekberg were among the guests. At this gathering, Miss Mae Benson of Chicago, niece of Ivar, received a diamond engagement ring, for which the group were making many future plans.

The Orland Firemen were which is potentially harmful to society.

If motorists would accept this fact and realize that careful driving is a moral act, then the greatest force available in the reduction of traffic fatalities would be in play. If, and this is speaking ideally, every motorist would accept their moral responsibility for safe driving, then truly, automobile collisions could be called accidents—and would become rare occurrences.

OLD SCHOOL DISAPPEARS—Few one-room schools are left in the area and now there is one less. Workmen have torn down the old Cooper's Grove school that was erected in 1879. Located at the southeast corner of 183rd and Cicero ave., it has been supplanted by the new brick building on Central ave., just south of 183rd street, and this plant too has become too small for the school population of District 160. The site of the old school was donated to the directors of Dist. 160 by Cordt Stege, a grain dealer at Matteson. Carl Goebel, father of Fred Goebel, Bremen township school treasurer, had his first job in the building of that school, as a lather and there were probably some that tsched-tsched and muttered that it was about time Carl went to work as he had already reached his 14th birthday. The site for the present school was donated by Mrs. Frances Harding, of Central ave. There are 21 pupils in this year's graduating class at Cooper's Grove and two of them, Kenneth Fisher and Jo Anne Hein, both of 183rd and LeClaire ave., start their in the first grade.

RICH GO-GETTERS

The April meeting of the Rich Go-Getters 4H club was held at the home of Lois Blume on April 1. Carol Feigel, the president, called the meeting to order.

Elaine Elbers, Jr. leader, gave a report on the Share the fun contest on May 20, the changes in Handicraft projects, and 4-H Camp.

The business of the joint picnic with Rich-Bremen at Camp Shaw waw nas see was discussed again. The exact date wasn't set, but Lyla Harms, Elaine Elbers, and Carol Schmaedeke were appointed for the food committee.

Elaine Elbers gave a talk on Housing for Geese and Eileen Harms gave a demonstration on Embroidering.

Refreshments were served by Lois Blume. The next meeting will be held at the home of Elaine Elbers May 6. Sandra Gierke will give a demonstration and Sharon Kohl will give a talk.

Any person wishing to join the club may contact Elaine Elbers or Sharon Kohl, Jr. leaders

NEW AUTO CLUB

A new 4H Auto club was organized in Peotone Monday, March 31. There were 15 members present at the organization meeting of the club. The purpose of the project and club is to teach 4 H'ers automotive safety and care.

Officers were elected at the meeting, and are as follows:

President, Ted Wiktor, Peotone Vice president, Don Muehring, Monnee; Secretary, Pat Sass, Monnee; Treasurer, Chester Wilke, Frankfort; Recreation chairman, Joe Schmitz, Monnee; Reporter,

Marlene Halfeldt, Crete.

The club will hold its meeting on the 4th Wednesday of each month at 8 pm. The next meeting of the club will be held at the home of Ron Werner, 333 North st., Peotone.

The members voted on several membership rules at their first meeting:

1. Any member who misses 2 consecutive meetings will be dropped from the organization.
2. Any member who received 2 moving violations will be dropped for the club year.
3. Dues for the club will be \$1.50 per year.

Membership in this club is open to any youngster in the east end of the county, between the ages of 14 and 20. President, Ted Wiktor, stressed that the 4 H'ers must make the community aware of the fact that teenagers are interested in safe driving and members must always conduct themselves to reflect good will to their organization.

Brief Sketches of Sandburg Candidates

Brief biographical sketches of candidates for the Carl Sandburg high school board are presented here for the benefit of the voters.

Three are to be elected on Saturday, April 12.

Gordon Bendix, 138th and 80th ave., Orland township, director of chemical and physical laboratories for the Continental Can Co., is a graduate of the University of Minnesota and holds a master's degree in science and a bachelor's degree in chemistry. He is a trustee of the Presbyterian church, a vice president of the Laguna Woods Home owners Assn. and a member of the executive board of the Sandburg district caucus. He was selected as a candidate by the caucus and has its support. Bendix has two daughters at Sandburg high and a son and daughter in the Orland Park grade school.

William R. Blew, an incumbent, is a certified public accountant and partner in the firm of Ernst & Ernst, Chicago, is a graduate of Morgan Park high school and attended Northwestern university. He is now president of the Sandburg high school board and has been a member since the district was organized. He is a member of the executive committee of the Illinois Association of School boards, a member of the Tri-County division of the state association, a trustee of the Union League Foundation for Boys clubs for the past 10 years and a member of the executive board of the Chicago Council of Boy Scouts. Has resided in Orland township since 1947. Has a son at Sandburg and a married son and daughter. Selected and endorsed by caucus.

Some are Independent

Joseph C. Cammisio, 7820 W. 92nd st., Hickory Hills, a resident of the area for the past 10 years, has been manager of the Albert Lumber Co. for the past 14 years. He is a graduate of Kelly high, attended DePaul university and John Marshall law school and in 1942 was graduated from the Northwestern institute of chiropody.

He is now completing a three year term as a board member of grade school district 117, for the past two as president. He also was president of the North Palos Improvement association for three years. He is a member of Sacred Heart parish, Palos Park. The Cammisio's have five children, a son and daughter in college who were graduated from Sandburg, a son and daughter now in Sandburg and another daughter who attends Dorn school, Dist. 117. He is running independent.

Paul Flynn, 8620 W. 92nd st., Hickory Hills, is a graduate of Tilden Technical high school, Chicago and has been a resident of Hickory Hills since September, 1955. He is district sales manager for Sylvania Electric Co. He is a member of the Hickory Hills planning commission and is active in the affairs of the Boy Scouts and the Young People's club of Sacred Heart parish. While residing in Chicago he was active in the CYO. Flynn is married but has no children. He is running as an independent.

Woman Running

Mrs. Helen Hatch, 7925 W. 91st st., Hickory Hills, secretary of the American Society of Anesthesiologists and production editor of the group's monthly newsletter which is circulated abroad as well as in the United States, has been a business woman since the death of her husband a dentist, in 1933. Prior to assuming her present position she

Sandburg Supt. Sings Praises of Students at Music Festival

(This was written by Supt. W. O. Fisher of Sandburg high school and addressed to the Southwest Suburban Conference music directors and the participants in the annual music festival, held this year at Sandburg.)

Teen age boys and girls are under constant criticism in both the press and radio because of the conduct of a very small minority. Far too little emphasis is placed on the activities of the vast majority who represent one of the finest generations of teen agers in our history.

The Southwest Suburban conference and your school can be justifiably proud of your magnificent attitude, appearance and conduct during the conference music festival. Your serious objective to make this the best music festival of all was evident in your preparation, your willingness to work, your cooperative spirit, your conduct in following the rules under which the festival operated and your care of the facilities at Carl Sandburg high school.

The net result of your splen-

did cooperation was the finest group performance that the massed band and choral groups of this conference has ever presented. The audience, the directors and your leaders were very highly complimentary of the quality of your work. Of all the school affairs I have managed, you represent the easiest, the smoothest and the finest group of boys and girls with which I have been my pleasure to work. I wish it were possible for me to extend my commendations to each of you personally. However, in view of this impossibility, please accept this letter as a hearty commendation for a job well done.

If you attack your future problems with the same vigor and enthusiasm I am confident that you will grow into American citizenship that will strengthen the democracy we love so much.

Congratulations on a job well done! May success and good fortune continue to smile on your efforts.

Sincerely yours,

William O. Fisher, Supt.

Carl Sandburg High School

served in a secretarial capacity with a nationally known firm and was assistant cashier for one of the largest pharmaceutical firms in United States. She has been a resident of the community since 1942. She was one of the organizers and served as secretary of the North Palos Improvement Assn. and has been secretary of the Palos township community chest organization since 1952. She also is on the board of the Suburban Community Chest Council and was active in the District 117 PTA when her daughter, now grown was in grade school. Selected and endorsed by the caucus.

George T. Lutz, 7900 West 98th Place, Hickory Hills, is a general contractor in commercial, industrial and residential building. He has been a resident of Hickory Hills for the past three years and was a candidate for trustee of the village last year. He previously resided at Oak Lawn where he was active in the "Y". He served in the air force as a pilot in World War II and is now a member of the Air Force Reserve. They have four children, all of pre-school age. Lutz is running as an independent.

Tinley Personals

A surprise baby shower was recently given by the League of Women Voters for Mrs. Garland Deinert, who received many lovely, useful gifts.

Well Baby Clinic

The Well-Baby clinic will be held at the municipal building, Friday, April 11, between 10 and 11:30 a.m.

Brownies Helped

Brownie troop 333 made 16 Easter baskets for the Illinois Research hospital. They also made attractive Easter bonnets and purses for themselves. Mrs. Edwin Jenkins and Mrs. Margaret Frey gave a surprise Easter egg hunt and baskets to the girls at their last meeting.

Kenneth Schumde, Jr., returned over the week-end from a two week vacation to Florida with his grandmother, Mrs. James Alexander and relatives from Cedar Rapids, I. He was able to attend a New York Yankee game in St. Petersburg and bring home a baseball autographed by all team members.

Susan Marbach recently underwent an appendectomy in Hazelcrest hospital and is now as "good as new." She is the daughter of Mr. and Mrs. Elroy Marbach.

Mr. and Mrs. Walter Goebel entertained Sunday in honor of the confirmation of their

son, W. Michael at the Zion Lutheran church. They gave a family dinner in the afternoon followed by open house in the evening. Paternal grandparents, Mr. and Mrs. Fred Goebel and maternal grandmother, Mrs. Lana Schanz were among the many guests from Blue Island, Joliet, Homewood and Tinley.

Mr. and Mrs. Joe Farquhar and daughter, Patty Jo, spent the week-end in Southern Illinois with relatives.

Mrs. Lillian Hughes celebrated her birthday, April 5. Mrs. Sylvia Kreml and daughter Minke of Oak Lawn, Mrs. John Emberlin and Mrs. Kaprac of Chicago helped her celebrate.

Sunday guests at the Nicholas Schullien home were Mr. and Mrs. John Conrath and family of Chicago, and Mr. and Mrs. Walter Grenike.

The Moochers club will celebrate the fourth birthday of the year, April 21 at Mrs. Ann Miller's home.

Mr. and Mrs. A. R. Douglas had as their Easter dinner guests, Mr. and Mrs. Lawrence Dillon of Chicago.

Garden Club at New Lenox Backs Cancer Fund Drive

The Garden club will again sponsor the Cancer fund drive in New Lenox this year. Mrs. Frank Vally is chairman.

The drive will get underway next Monday, April 14 and continue thru the 28th by a house to house call. The workers are hoping all will be generous in their contributions.

Brotherhood of Lutheran Church to Meet In May

The Brotherhood of the Zion Lutheran church, Tinley Park, plans to attend a pre-convention meeting of the Brotherhood in the Grace Lutheran church, 61st st. and Marshfield ave., Chicago, May 18 at 2:30 o'clock.

The convention will be held at Sterling on June 7 and 8. The theme of the convention is "Living His Work" and the speaker will be the Rev. J. K. Bradley.

New members who joined the church men's group in February were Harold Lutzke and Knute Lovegren. In the month of March the following new members were received into

the group: Bruce Jaeger, Walter Carlson, Robert Hayes, and William Wright.

A dart ball game will be

featured at the April meeting. In May a skit will be presented by the Cub Scout troop sponsored by the Brotherhood. Meetings start at 7:30 p.m. Refreshment are served.

Here's perfect fried chicken—tender and meaty with a crisp brown crust. But how do you know for sure it's as perfect on the inside as it looks on the outside? At Jewel, the U.S. Government Inspection Seal is your assurance of wholesomeness. In Chicagoland, Jewel is the only family of food stores that brings you U. S. Government Inspected poultry every shopping day of the year!

U.S. GOV'T INSPECTED — GRADE A — FRESH

Frying Chickens

Only ready-to-cook poultry is eligible for this inspection. (Ready-to-cook means thoroughly cleaned inside and out; free of pin feathers.) A qualified Government inspector, representing the U.S. Department of Agriculture, examines each bird inside and out to determine its wholesomeness. If it passes his rigid examination, it receives the Government Inspected Seal. Then and only then is poultry considered good enough for Jewel shoppers.

Just think, you can serve one of these tender, meaty and sweet-flavored chickens every Sunday for three months if you have a winning Jewel Extra Value Line-Up card. Remember, you're always the winner when you rely on Jewel quality!

New Lenox Tops Suburban Towns In Percentage Gain In Retail Sales

(CNS) Park Forest had the biggest percentage increase, and Evergreen Park and Harvey the biggest dollar increases in retail sales during 1957 among the south suburbs: six major shopping areas. This was disclosed by the Community News Service survey of state revenue department annual figures on collections of the 2.5 per cent state sales and use taxes.

While sixth in rank, Park Forest increased its sales 22 per cent, collecting \$111,055 more in taxes than during 1956 for a 1957 total of \$610,559.

Second place Evergreen Park collected the biggest dollar increase, \$144,823, for a total of \$1,140,487, which is 15 per cent above 1956.

Harvey, finishing third for the year, with \$1,089,201, increased its collections by \$117,262, or 12 per cent.

Chicago Heights, long in first place, was still far in front for the year, with \$1,569,091, but this was an increase of only \$16,761, or one per cent. Blue Island, fourth with \$917,538, was up \$101,037 or 12 per cent, and Oak Lawn, fifth with \$730,778, was up \$71,692, or 10 per cent over 1956.

Among the smaller shopping areas, New Lenox had the biggest percentage increase, of 39 per cent, with \$81,983, or \$23,045 over 1956, although it ranked 23rd.

Riverdale, ranking 11th for the year, with \$305,083, had the biggest dollar increase outside the Big Six, of \$78,521, which is 34 per cent. This is the second biggest percentage rise.

Next in percent were Palos Heights, 31 per cent, with \$76,498 total, an increase of \$18,180, for 24th place; and tiny Hickory Hills, with 30 per cent increase, or \$2,961, for a total of \$12,599, placing it 48th in rank.

Midlothian is 16th with \$162,852, an increase of \$27,976 or 20 pct. from 17th place.

Calumet City, eighth with \$330,991, an increase of \$28,264 or nine pct. from ninth place. Characteristically, \$177,009 of the Calumet City taxes was paid in 1957 by drinking and eating establishments, compared to \$160,972 in 1956, accounting for most of the increases.

Other south suburban municipalities showing the total collections for 1957 and 1956 respectively include:

Homewood, \$321,055; \$317,922.
Lockport, \$266,796; \$249,526.
Lemont, \$189,489; \$184,133.
Tinley Park, \$150,657; \$137,316.
Hometown, \$136,356; \$133,713.
Orland Park, \$62,632; \$59,122.
Mokena, \$51,803; \$52,735.
Markham, \$49,965; \$40,605.
Matteson, \$41,371; \$35,379.
Oak Forest, \$40,958; \$42,068.
Palos Park, \$21,936; \$21,869.

Cook County Liquor Licenses Must Be Paid Now; Fee \$400

(CNS) All places selling alcoholic liquor at retail in the unincorporated areas of Cook county have been notified that they must renew their yearly operating licenses immediately.

The notifications were issued by Daniel Ryan, president of the board of commissioners of Cook county, who is also the county liquor control commissioner.

The license fee is \$400. Places offering music, dancing or entertainment pay \$50 more.

ISSUES 5 PERMITS

The village clerk's office in Tinley Park issued five permits during the month of March; four for additions to homes and one for a garage. The total evaluation of the improvements amounts to \$6,615.

DOERFLER, KNATER — (Continued from Page 1)

farmer and supervisor, Doerfler is a popular man with the voters and ran big in every precinct. He will be opposed by Paul Hileman, Jr., of Braidwood, in the fall. Hileman polled 3,599 votes.

Supt. of Schools Verne E. Crackel, who received 10,491 votes in the primary, was thus re-elected. He was without opposition in the primary and the Demos do not have a candidate.

Mokena Man Wins

The other county officials nominated on the Republican ticket are all incumbents. With their votes, they are, County Judge John C. Cowing, 10,557; Probate Judge Stewart C. Hutchison, 10,401; County Clerk, Joseph H. Hartley, 10,653 and Probate Clerk Ellsworth B. Workman, 10,244.

The Democrat nominees for county offices other than for sheriff are: Raymond Harvey, for county judge, 3,844; Robert Buchard, for probate judge, 3,722; Leo J. Meehan, for county clerk, 3,702 and John Pfeiffer, for probate clerk, 3,660.

The voting was light in Will county, as was the case in most counties in the state. The unofficial count shows the total Republican vote in Will county Tuesday was 12,350 and the Democrat, 4,911, for a total of 17,061.

Robert Hohenstein, of Mokena was one of the three persons elected to the county board of school trustees. Hohenstein received a total of 11,427 votes. The other two trustees are Howard F. Harshbarger and Richard Oetter.

The Democrat vote in Frankfort, New Lenox, Green Garden and Homer townships was quite light, as is usual but the Republican vote was light too. In Mokena there were 268 GOP votes, and 23 Democrat; in the village of Frankfort, 279 Republicans and 27 Democrats; Green Garden had 103 Republican voters and 23 Democrats and in Homer the Republicans polled 204 and the Demos 69. In the four precincts of New Lenox there were 364 Republican votes cast and 71 Democrat.

How They Ran

The first precinct of Frankfort had the dubious distinction of being the last of the 125 precincts in the county to get its ballots down to the office of County Clerk Joseph Hartley. That was sometime after 1 o'clock Wednesday morning.

Frankfort township, as a whole, gave Sen. O'Neill 299 and Fawell, 209; Doerfler, 426; Wesoloski, 74; Knater, 437; Meyer, 74 and Grewenig, 15.

In the four precincts of New Lenox township, Doerfler received 293 votes and Wesoloski, 61. Knater polled 261 votes, Meyer 97 and Grewenig 5. Sen. O'Neill had 215 and Fawell 134. Doerfler had 80 to Wesoloski's votes.

In Green Garden township Doerfler had 80 to Wesoloski's 10 votes and Knater had 79, Meyer 17 and Grewenig 4. Senator O'Neill had 47 and Fawell 49 votes. Emil Rab, with 6 votes was elected Democrat committeeman over Richard Knater, who had 2 votes. William C. Bettenhausen was reelected as GOP committeeman.

In Homer township Doerfler had 153 and Wesoloski 33; Knater, 107, Meyer, 71 and Grewenig 7 votes. Sen. O'Neill polled 122 votes and Fawell 56. Charles Trontina with 109 votes was elected Republican committeeman over Otto L. Konow, Sr., who had 87 votes.

John Francis was reelected GOP committeeman in the first New Lenox precinct, and Charles Smith, Democrat; Alfred Emily in the second and James Burns Democrat; Roy Fitzer in the Robert Maue, Democrat.

Large Turnout For Operetta

The operetta given by the choir of the Mokena public school, in the school gym recently, was well attended and received. The choir is made up of all girls but several boys from the 7th and 8th grades assisted.

The operetta was a story of a local school which was producing an operetta which Steve Lindsay (Dennis Porick) and Ellen Montgomery (Carol Sherwood) played the leads. Other lead parts were by Judy Myskewicz, Steve Smith, Betty Lehmann, Karen Yunker, Kenneth DeCamp, Jean Kozumplik.

Other students taking major parts were: Janet Geuther, Ronald Badten, Donna Halfacre, Jerry Sayers, Betsy Ihde, Tom Heinecke, Nancy Behen, Paul Brown, Margie Barenz, Gerald Daugherty, Letty Fiegen, Robert Hellwig, Dorothy Lavezzi, and Bill Alexander as the work crew.

Nancy Bisgrove was the prompter, Ron Roberson, lights, and Wayne Swanberg, accompanist.

The next musical event for the MGS will be their annual choir concert Thursday, May 8. This promises to be another "best" of recent years. Later in May the band will also present their second concert of the year.

New Lenox to Get Price On Storm Drain

When the village of New Lenox closes its books at the close of this fiscal year, it expects to have \$15,000 available that it can spend on community needs.

How this windfall, garnered chiefly thru the village's share of the state sales tax, will be expended has been discussed for weeks now by the council members.

At the regular board meeting last week it was generally agreed that some of the money should be spent on a system to carry off the storm water that has been a problem to Pine Street residents in the vicinity of Second and Third streets, for several years. It is believed that by carrying off the surface water pressure on septic tanks would be relieved and halt the flow of sewerage in roadside ditches.

Keith Hossack, who has charge of streets for the village, is getting estimates of cost of such a project. He expects to have these figures about the middle of the current month. A special meeting of the village board has been called for April 23 and it is expected that some decision will be reached at that time on the drainage problem.

Most of last week's meeting was taken up with discussion of budget figures. The board is now preparing its appropriation ordinance for the coming year. A preliminary rundown of figure, members said, indicate that the budget will be less. The total sum provided for in the ordinance last year was \$32,541. It is the hope of the trustees that they can reduce this about \$1,700 for the coming year.

"Lots of women plug away all day, with the cords attached to their electrical appliances."

—New Athens Journal-Press

third and William McCollum, Democrat; Don Wennlund beat James Davies for GOP committeeman in the fourth, 65 to 33, and Emil Tomank is the Democrat. A. H. Krusemark, Jr., was re-elected GOP committeeman at Frankfort, and George Sangmeister, Democrat, Harold Cooper was elected at Mokena and Robert Maue, Democrat.

Ellen Nelson 74, of Marley, Dies

Mrs. Ellen Nelson, 74, of Marley died Thursday, April 3 in Dixmoor convalescent home; Harvey, following a lingering illness. She had been at the home for about three weeks.

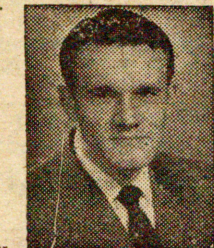

Mrs. Nelson was born in Sweden and came to Marley when she was two years old, she had resided there since. Mrs. Nelson was a member of the Marley Community church. Her husband, Louis, died in 1948.

She is survived by three sons, Francis of Marley; Alvin Chicago; Willis, Mattoon; a daughter Gladys, of Maywood, and two grandchildren.

Funeral services were held Saturday afternoon at the Sonntag Funeral home, Joliet with the Rev. Ray Hamer officiating. Burial was in Elmhurst cemetery, Joliet.

Safety Expert Will Address Lutheran Group

"Movies, Motors and Magic", will be the theme of a traffic

safety talk delivered on April 16 by Frank R. Burrows, Jr., field service director of the Citizens Traffic Safety board of Metropolitan Chicago, before the Father and Son's Banquet of Immanuel Lutheran church in Mokena, Illinois.

Mr. Burrows will list the most dangerous misconceptions about safe driving and good bicycling. In both instances, he will demonstrate methods of avoiding traffic tragedies. He will list the rules governing good bicycling. Emphasized in his talk will be warnings of the three most dangerous action of drivers who consider themselves expert. These three are:

1. Stopping on a dime. Although many drivers think they can, it will take 88 feet to stop at 30 miles per hour, 366 feet to stop at 60 miles per hour.
2. Trying to beat an amber light or race another car to an intersection. This driving error is frequently fatal.
3. Trying to take right-of-way from another driver.

Would Use Women To Guard Orland Pk. School Crossings

The Orland Park police department will add women to its force to serve as crossing guards for the protection of pupils at the elementary school on 143rd street.

A legal notice to the effect that the village board will consider applications from women interested in such duty, has been published elsewhere in this issue.

Women interested are to telephone Paul Voss, chairman of the Orland Park police committee at Fieldbrook 9-3284, and arrange for an interview.

Tinley Park is now using women guards at school crossings and the system also is in use in other communities.

Use of youngsters as safety patrols is frowned upon by various safety organizations. Too many boys or girls performing this task get out in the street to halt traffic it was pointed out.

"Salesmen are a group of men who, if laid end to end, form a smooth line."

Being Secretary of Lincolnwood Civic Body Is Lonely Job

The secretary of the Lincolnwood Civic association, Mrs. Richard Pokorny, has resigned. It's too lonesome a job.

On March 31 the organization was scheduled to meet in the Schmuhl school. Notices to that effect had been sent out to the members but interest in the association appears to be at a low ebb.

Mrs. Pokorny appeared at the school, ahead of the appointed time, as secretaries do, got out the minutes and the other reports and papers which always seem necessary for a group to function—and waited.

There was one member to keep her company. The two waited—and waited—and waited. Then they gave up and went where the other officers and members had stayed—home.

Mrs. Pokorny has forwarded her letter of resignation to the president of the association, William Hocker. She has the records and the membership roll which she will turn over to her successor, when and if the membership can get together long enough to elect one.

The association owns a park at Lincolnwood and it has some money in the bank. At the last account there were 10 paid up members. Some are hopeful that spring or summer will revive community spirit.

Proclaims War on Stray Dogs

Dog owners in New Lenox are advised by the village board to keep their pets tied up or fenced in, as a solution to the "stray dog" problem.

A proclamation giving warning that unless owners take action to restrain the wandering proclivities of their pets the village will, was adopted by the board at its regular meeting last week.

Trustee Noel Elliott, who with Trustee Leonard Heimerdinger, was instructed by the council to study various dog control measures in force in communities comparable in size to New Lenox and recommend a program.

Elliott told the board they were not yet ready to report but in anticipation of passage of a measure covering the licensing and control of dogs he recommended that \$500 be set up in the appropriation ordinance for enforcement of its provisions. The other members of the board approved the suggestion.

Mr. Elliott said he wanted to talk with representatives of a pound at Orland Park relative to picking up and keeping stray dogs found at New Lenox. In the meantime the council is agreed that stray dogs are a menace to safety and must be eliminated.

Several persons have been bitten by dogs recently, Elliott reported.

Lion to Hear Talk, See Film on Nuclear Plant at Dresden

Harold Nuetzmann, power engineer of the Public Service Co. is to address the Mokena Lions club at its regular dinner meeting tonight in St. Mary social center. He is to talk on current developments in atomic power. His description of the nuclear power station project at Dresden on the Illinois waterway in Grundy county will be highlighted by the showing of a film dealing with construction of the plant. The cost of this plant is underwritten by private power companies and the bill will run in excess of \$45-million.

Fertilizing corn land while it is still in pasture will enable you to reap two harvests from the fertility investment.

THIS IS TEXAS EASTERN...

82,000 extra horsepower to boost gas deliveries

An extra 82,000 horsepower push has helped to increase the capacity of Texas Eastern's natural gas pipeline system to a record high... 1.7 billion cubic feet daily.

This horsepower was added during 1957 at newly-built compressor stations... and at key existing stations where new compressor horsepower has been installed.

Back in 1947—when Texas Eastern first began operating the Big Inch and the Little Big Inch pipelines for transmission of natural gas—there were no compressor stations at all in operation in the system. Natural gas flowed through the system's 3182 miles of pipeline under

gas field pressure at the rate of some 138,000,000 cubic feet daily.

Now, a grand total of 533,000 horsepower...harnessed in 55 compressor stations spaced every 50 to 75 miles along the 6000-mile natural gas system...is speeding gas from the Southwest to distributing companies serving millions of homes and thousands of factories in the Midwestern, Appalachian and Eastern seaboard states.

The growth of this phase of Texas Eastern's varied operations is an impressive testimonial to natural gas...to its acceptance by homeowners and industry, and to its merits as a clean, economical and adaptable fuel.

Girl Scout News

In connection with earning their Cat and Dog badge, the girls of troop 587 hiked over to Kalott's kennels for a tour of the kennels and an interesting discussion with Dr. Webb, the veterinarian, on the care and grooming of their pets. Dr. Webb stressed the importance of the yearly rabies inoculation and explained the law on licenses, which are necessary even in unincorporated communities such as ours.

Enthusiastic plans were made for the Easter Monday cook out, the first of the season, in Tinley Creek woods. The girls, anxious to have their leaders have nothing to do but enjoy themselves on the outing, portioned out the jobs of firebuilder, cook, dishwasher and cleaner up among themselves. Hope the weatherman was in a cooperative mood and sent them a sunny day.

The cookie drive was quite successful. Our troop sold 322 boxes of cookies, the cash return on which will enable them to add to their equipment an adequate first aid kit, an essential part of every outdoor program. The leaders, Mrs. Henry Klecka and Mrs. Paul Petersen, have just completed the first part of their course in first aid and have decided to go on for advanced training. Let's hope they never have occasion to use it for anything serious.

Two of the troop, Pam Wite and Gale Sorensen, had the honor of presenting the colors during a tribute to Scouting at a recent PTA meeting of the Arbor Park school.

You are reminded to be sure to cast your vote in the school board election Saturday, April 12, at the Arbor Park school in Oak Forest. One of our neighbors, William Schueler, 6341 Kimberly, is a candidate for

member of the board to represent this area.

If you want to teach your child the value of money, I can highly recommend starting him or her on a coin collection. When my small son needed a collection for his first Cub scout badge, I gave him for a start a handful of Indian head pennies which I have had for many years. Since then he has built up quite an interesting collection of pennies, and believe me, since the advent of the coin catalog to our house, I am not permitted to spend, literally, one red cent without an OK.

Sometimes a guest is startled by a request to empty his pockets of coins, but soon both guest and the young numismatist are pouring with magnifying glass over the coins, and comparing them with the catalog, in the hope of finding a valuable one. I was under the impression that it was the age of coins which determined their value, but such is not always the case. One friend was delighted to find that the penny he carried as a luck piece simply because it bore the date of his birth, is now worth 35c because not very many pennies were issued from the San Francisco mint that particular year.

On Palm Sunday, 45 relatives gathered for a family dinner at 16630 Beverly to help John Schuetz, 13, celebrate a very important event in his life, his confirmation in the Trinity Evangelical Lutheran church. The new rec-room had its initiation at the same time, and proved to be a great convenience to Mrs. Schuetz in serving so many dinner guests.

A thunderstorm was in progress during the eighth birthday party Saturday afternoon of Bobby Hebert on Beverly Drive, but what thunderstorm could compete with the noise six boys can make while having a good

time?

Sorry there's no Know Your Neighbor sketch today. Several calls among the B's have convinced me that either B stands for bashful, or my powers of persuasion are at low tide. However, better luck next week perhaps.

Women's Group Donates \$300 to BCHS Library

A check for \$300 for the purchase of library books or other needed equipment has been presented to Bremen high school Wednesday by the Pottawatomie Hills Women's organization.

Making the presentation for the group were Mrs. Robert Stokes, president, and Mrs. Walter Jilek, treasurer.

T. R. Birkhead, Bremen superintendent, accepted the check for the school.

The organization, which has 150 members and is incorporated under an Illinois charter, was formed for social and civic purposes.

Altho the group is not committed to a policy of making financial contributions, it has, since its inception, annually engaged in such projects for civic betterment. Among the improvements sponsored by the organization were signs for Pottawatomie Hills and aid to the fire and police departments.

A requirement for membership is that the prospective candidate must live in Pottawatomie Hills. The organization will mark its fifth birthday anniversary in May of this year.

TIMES A' WASTIN'

Here's a time-saving tip for homemakers who fill their laundry bags in the same manner as they run their homes—in a neat and orderly fashion. Use the time spent folding soiled sheets and other flatwork prior

to putting them in the laundry bag to better advantage. If you fold such items, says American Institute of Laundering and educational center for the professional laundry industry, laundries have to unfold them to insure proper cleansing. And, of course, everything must be folded for pressing.

FARM NEWS

For
Cook County
by
W. F.
Whiteside

assistant farm adviser

I spent two days attending the Farm and Home festival at the University of Illinois. It was an excellent show. I hope that many of you took the opportunity to visit the campus and take in this unique festival. I believe the committee that planned the festival is fairly well pleased with the attendance. Possibly this festival will become a continuing part of the program of the College of Agriculture, University of Illinois, in its effort to better serve Illinois agriculture.

The oat samples for the Drill Box survey have all been collected. I would like to thank all of you who cooperated in this project. When the results of the survey are complete, we should have a fairly accurate picture of the types of oats used by Illinois farmers.

As far as this particular area is concerned, this was a pretty good year for the survey, since many farmers were forced to purchase new seed due to the poor oat crop last year. Four per cent of the 15 samples were either certified or one year away from certification. This is a good record for any county in the state of Illinois.

All 4-H's who plan to attend 4-H camp this summer should get their reservations into my office before May 1st. Cook county will be at Camp Shaw-WaW-Nas-See July 28 to Aug. 1. Plan to attend camp and send your reservations to me by May 1st.

Weeds in asparagus can be controlled with Karmex-W at the rate of two to three pounds per acre. This chemical should be applied after discing and before the spears emerge. Dope applied at the rate of five pounds per acre before spears emerge, will retard quack grass and control annual grasses.

Chloral IPC at the rate of four to six pounds per acre will control most annual weeds when applied before onions emerge. Use the lower rate when applying to the field and the temperature is below 60 degrees F.

Taking good care of lawns is practically a year-round job. It begins in early spring and does not end until all leaves are removed in the Fall. Lawn care in spring begins with rolling. This firms the sod that has been disrupted by freezing and thawing. Your lawn should

be fertilized in the Spring and Fall. Use 20 pounds of 10-10-10 per one thousand square feet. Your best weapon against weeds is a vigorous lawn. Fertilizing will produce this vigor.

Grass should be mowed when it is three inches high. Do not cut shorter than 1½ inches unless your lawn is bent grass.

In case you have problems with insects in your lawn, Chlordane will control web worms, chiggers and ants. Use at the rate of ¼ pound of actual Chlordane per 1,000 square feet. Chlordane will also control grubs and earthworms.

I understand that additional funds have been allocated for the Corn Acreage Reserve. If you are on the waiting list, you will be contacted as to the day you should visit the A.S.C. office.

Mass Fogging Not Followed In Mosquito War

"Why Block by Block Fogging is Not Done by the South Cook County Mosquito Abatement District" is a question that will be dealt with in an open meeting for all interested residents Saturday afternoon, April 19, between 2 and 4 at the South Cook County Mosquito Abatement district headquarters, 155th and Dixie Highway, Harvey.

The fact that mass fogging is not a technique relied upon by the South Cook District means that fewer people actually see district employees at work than they otherwise might with the result that many people are still unfamiliar with the program and the reasons behind it. District spokesmen hope that in arranging this public meeting

prior to the beginning of the district's fourth mosquito season they will be successful in reaching more of the district's residents with accurate first hand information.

Dr. Harold Gray, University of California, and Dr. William Horsfall, University of Illinois, both of whom are internationally recognized mosquito authorities, will be present to lend their knowledge and experience to this specially planned public meeting.

An open invitation is extended to any resident of the South Cook District. It would be helpful if any person planning to attend called the office of the district, EDison 3-4120 prior to April 15th. Village officials and heads of civic organizations as well as members of the press have been especially invited.

Hedges Clinic Staff Members Attend Special Meetings

Two of the doctors at the Hedges Clinic at Frankfort have returned from conferences devoted to their work.

Dr. Otto J. Novato, who completed his residency in internal medicine at Denver, in 1950, attended a conference at the school of medicine of the University of Colorado at Denver. The principal problem discussed at this meeting was edema, the abnormal accumulation of body water.

Dr. Claude W. Otto was at Dallas to attend a national conference dealing with obstetrics and gynecology.

Howard G. Osmus, clinic manager, has also been away. He attended the first state meeting of the National Association of Clinic managers held at the Palmer House, Chicago, the last week in March. Mr. Osmus was one of the speakers. He has been with the Hedges clinic since 1953.

Horse Played Important Role In Man's History

By ROBERTS MANN
Conservation Editor
(Cook County Forest Preserve)

The horse has disappeared from our streets, highways, and most of our agricultural regions. Farm boys no longer learn to say gee, haw, whoa, giddyap, and make that clicking sound which also means "go". Except in backwoods country and the western grazing lands, the use of horses is mostly confined to race tracks and bridle paths. In this mechanized age we are apt to forget the dramatic role that this animal played in man's history.

As early as 1700 B.C. they pulled the chariots of the Babylonians and, age after age, their descendants carried Alexander the Great, Attila, Genghis Khan, the Moors, and Napoleon on their far-flung campaigns of world conquest. Likewise, American history is rich in traditions of the savage horsemen of the Great Plains, the gallant cavalry of our Civil War and Indian campaigns, the Pony Express, the stage coach and the immortal cowboy.

When America was discovered it had no horses. The mere sight of sixteen armored cavalymen with Cortez on his invasion of Mexico, in 1519, caused the Aztecs to flee in panic. After DeSoto's expedition crossed the Mississippi, they abandoned or lost some of their horses. These gave rise to bands of half-wild mustangs which, captured by the Plains Indians, enabled them to become the finest of horsemen.

The domestication of the horse was begun before the dawn of history, possibly by nomad herdsmen in central Asia. The qualities which recommended it then were the same as what the Indians saw in the mustang, thousands of years later. The horse was big enough and swift enough to give riders great advantages over men on foot—either in attack, in flight, in hunting, or in bearing burdens. Added to these are its docile nature and response to training, its ability to forage for food, and an esthetic appeal to men of all ages. An owner often treated a favorite mount with as much care and affection as a member of his own family. Only in recent times have horses been used widely for hauling and plowing.

All of the 25 or so breeds of modern horses are descended from three types of a single wild species: the Forest Horse of central Europe, a smaller Mountain Pony—both now extinct—and the little Mongolian Horse or Tarpan which survives. Our larger breeds, draft animals often weighing over a ton, have descended from the powerful chargers that carried medieval knights in the ponderous armor. The smallest is the children's delight, the Shetland Pony. An ancestor of our riding and racing breeds is the magnificent Arabian.

In contrast to the romantic history of the horse, its cousin,

BANK NOTES by Malcolm

the ass, has been a patient long-suffering beast of burden since Stone Age times, some 12,000 years ago. Asses, donkeys and burros are all descended from the wild ass of East Africa. Unlike the horse, they have enormous ears, small narrow feet, a short erect mane, and a mere brush of long hair on the tail. They are hardy, sure-footed on mountain trails, and can subsist for considerable periods on a minimum of food and water. The zebras of Africa are more nearly related to the ass than to the horse and together with a few kinds of Asiatic asses, make up the remainder of the horse family.

A mule is the offspring of a jackass mated with a mare or female horse. The U. S. Army mule and the Missouri mule are famous for their hardiness, their frugality, their disdain of man and their kicking prowess. Being hybrids, mules are sterile.

Equally famous is the burro—companion of the lonely prospector.

Always put off until tomorrow what you shouldn't do at all.

Plan Dinner to Mark Retirement of Harry Heiting

Friends and fellow workers will give a dinner for Harry "Red" Heiting, of Orland Park, next Thursday night, April 17, at 7 o'clock in Sanger's hall at Tinley Park, to mark his retirement from the Illinois Bell Telephone Co.

Heiting, a telephone repairman in the Oak Lawn, Palos, Orland Park, Tinley Park area will be completing 45 years of service. He has worked as a line man, installer and repairman and to reach the scenes of his labors has used horse drawn vehicle, bicycles, motor cycles and present day trucks.

Mr. Heiting is a former member of the Orland Park village board and is also quite active in the affairs of St. Michael's parish there.

Following the dinner there will be dancing and entertain-

ment by a choral group.

Persons who wish to attend the dinner may obtain tickets by calling "Lefty" Hurt at Garden 2-9963 or R. J. Suhs at KE 2-4141.

Business and Finance

In recent years the increase in use of petroleum products

has shown an average of 5 per cent yearly in the United States and about 12 per cent in western European countries. Industrialization, has been going on at a fairly fast pace.

German industry grew great on cheap coal from the Ruhr, but now are faced with the fact that German coal seams are becoming more costly and difficult to mine. Their mines require considerable hand labor as against machine mining in the U.S.A. All of western Europe imports large amounts of coal from the United States.

As Fortune Magazine puts it, "The coal rich Ruhr was good enough in its time. Today the vitality of the Ruhr flows increasingly from drilling rigs thousands of miles away."

In the economic warfare that has been going on between Russia and the western nations, Russia is concentrating on the oil rich Middle East and Indonesia which is a producer of considerable quantity of oil. She is well aware of the fact that without oil industrial life must stop with resultant economic and social chaos. Russians aim seem best served when fishing in troubled waters and obviously she is doing her best to create chaos and confusion.

Investment analysts watch such developments closely and try to anticipate likely moves and end results. The taking over of the Suez Canal by Nasser of Egypt brought quick action by France and Britain since the economic lives of western European countries were threatened. The United States government objected strenuously to the French and English action and caused their withdrawal from action to force reversal of Nas-

ser's moves which were sponsored and supported by Russia.

It was necessary for the United States to insure oil supplies to Europe. As a result American and South American oil went in large volume to Europe even at the risk of rationing of oil in this country. The economic results were greater than merely oil. Tanker requirements alone were very large and much larger than the near-term potential of production of enough steel and ship yards to produce them.

Russia has one very great factor on its side in generating chaos. It is well aware of the fact that by far the greatest portion of people in the Middle East cannot read or write and are interested only in food and bare essentials for today's use. Political philosophy on any other subjects in uninteresting to them. Russian rulers need pay no attention to public opinion whereas Democracies are influenced greatly by public opinion whether based on full knowledge of the situation or emotional judgment.

An interesting investment situation is found in those oil companies whose main source of production is in the western hemisphere. It is likely that the Middle East will have recurring periods of trouble for some time to come.

Pure Oil and Sunray Mid-continent Oil are examples of western hemisphere firms. The common stocks of both these firms are presently selling at about eight times their yearly earnings and also paying attractive dividends. Oil and gas firms constitute by far the largest industrial investments of the Mutual Funds, Profit Sharing and Pension Funds.

LINCOLN LOG

FOREIGN STUDENT

The American Field Service in New York is in charge of placing foreign students in American homes. A local AFS committee is needed to work out details and problems concerning its own student. Since Lincoln-Way is planning to sponsor a foreign exchange student, the local AFS committee has been set up. The members are as follows. Co-chairman—

Margie Ardaugh, student council representative and Dr. Ralph Wright, assistant principal at Lincoln-Way; member for homes, Rev. Ben Day of Frankfort; member for funds, Frank Goetschel of New Lenox; and member for publicity, Mrs. Margaret Semmler, of Mokena. The committee hopes to have a foreign exchange student for next year.

BIOLOGY CLUB

Several biology club members are intending to make good use of Saturday free time. The students, along with their teacher, Mr. Abrahams, are enrolled in several nature study courses starts Saturday afternoon, May 3 and continues thereafter covering such topics as "Spring Wild Flowers", "Flower Families", "Taking Care of Our Trees" and "Flower Planting Around Our Home". Other course studies include morning work on "Knowing Birds" and "Proagations".

All students are looking forward with a great deal of interest and enthusiasm to the opportunities for extended field study and the privilege of working with Mrs. Watts, the Morton Naturalist, who is known for being such a dynamic individual with tremendous knowledge and enthusiastic means of expression.

Country Club Hills

The Country Club Hills Fire Protection District has announced that arrival of a new fire engine, equipped with a Champion pump capable of pumping 800 gallons per minute and averages 500 pounds pressure.

It has two four inch hard suction and one 2½ inch intaker. The water output consists of two 2½ inch liner, two one inch high pressure lines and on 1½ inch high pressure line with a 500 gallon storage tank.

Both high pressure and deluge liner can be operated from storage tank and hydrant simultaneously. High pressure lines are equipped with latest type 3-way nozzles which can thrash a 45 degree fog, a 30 degree fog on a straight stream of water for a distance of 150 feet.

Fire Chief Daniels and lieutenant Buder and Bette are progressing rapidly with the training of the department membership. A day engine crew has already been taught the basics of fire fighting and the handling of the fire equipment and it is the desire of the department to give the community the finest in fire protection.

R. D. Fitzpatrick, director of public relations, F.P.D., has announced this welcome addition of fire fighting equipment for our area.

School Election

This Saturday, April 12, may well be one of the most important days we have had in Country Club Hills. This is the day we, as interested residents, elect the new school board. Seven people who not only will control the education of our children, but also the reputation of our community as quite often a community is judged first by its school system.

The election will be held from 12 noon to 7 p.m. in the Central school, 184th and Central. YOU NEED NOT BE REGISTERED TO VOTE—it is only necessary to have been a resident of the district for 30 days, Cook County for 90 days and Illinois for one year. If you need transportation to the school, call SYcamore 8-6620.

J. E. Merrion & Co. is able to build houses—we alone can build a good community. VOTE!

The following is a letter received from the Tinley Park Fire department—printed in its entirety it may clear some false opinions:

"Dear Mrs. White:
"It has been brought to our department's attention that a few people have been quoting to residents of Country Club Hills that the Tinley Park Volunteer Fire Department charges for any direct or assist calls that are made in and around Tinley Park, including Country Club Hills. We would like to have this erroneous statement corrected with the people in your development.

"A letter was directed to your fire chief in January of 1958 stating that this department would assist him at any time should he need help, not only from the standpoint of fires but also on emergency calls.

"Please advise our neighbors in Country Club Hills that we DO NOT CHARGE for any fire calls, direct, or assists, or emergency calls.

"Thank you for your cooperation in this matter, we remain,
"Yours very truly,
"Tinley Park Volunteer Fire Dept., Inc."

Speeders

There have been numerous

complaints lately about the speed limit being exceeded to a dangerous extent in Country Club Hills. This is a residential community and the Posted speed limit is 15 mph. Although it is delightful to be driving on the road instead of ice and snow, let's keep in mind the children, pets and dust. Okay?

Mothers' Club

Now that the Spring dinner is behind them, the members of the Mothers' club are putting all their efforts into the Fun fair to be held May 25. The booths planned for the event are white elephant, handicraft, used childrens' books, records, green thumb (plants), fish pond and food baskets. Donations will be happily accepted by Mrs. Glenn Thacker, SY 8-5594. Let's all help make the Fun fair a huge success. All proceeds go to purchase special items for the Cooper's Grove school.

Home Owners' Association

The Homeowners' House on Thomas Lane is finished and is available to all groups in the community. Mrs. Jane Wulf, who has done an excellent job in completing the final arrangements, is in charge of accepting reservations for the house. She may be reached at SY 8-7841.

Christian Church

On Good Friday, a Candle-light Communion service was held in the Homeowners' building. A special program of two acts from the religious play "Family Portrait" was presented by the Morgan Park Christian church. Special music was sung by Bethanne Schwenk and Chole White.

On Easter Sunday 25 families placed their names on the official charter instituting the United Christian church of Country Club Hills. The present goal is to have 50 families sign the charter by June first when the Rev. Mr. Pew arrives to take up his duties.

Plans are being made for the formation of a Women's association and also a choir. More details when the plans are formulated.

All protestants are invited to attend church services in the Homeowners' house at 11 a.m. A nursery is available for children. Sunday school in the Homeowners' house at 9:30 a.m. PTA

The school membership drive was a smashing success with a 58% increase in membership. Mrs. Hazel Ramseyer's third grade won first prize in the school competition. Mrs. Nona Schlinder's first grade was so close to the winners the membership committee voted them a prize also.

Those of you who have not had the opportunity to join the PTA may still do so, either at the next meeting, April 17, or by contacting the Membership Committee chairman, James Moore, SYcamore 8-9483. All parents, including those with pre-school children are urged to join the PTA and to attend the meetings.

Principal speaker at the reg-

ular monthly meeting, Thursday, April 17, will be Lt. Nathan Klein.

Lt. Klein, a member of the executive board of the Juvenile Officer's association of Cook county, will address the group on the subject: "Searchlights on Delinquency".

We live in a growing community with a correspondingly low delinquency record. With planned community action based on the sound advice of such people as Lt. Klein, we can prepare for the possibility of juvenile delinquency before it becomes a problem.

To draw on the experience of other communities less fortunate than ours is the best way to prepare our own safeguards. Lt. Klein has worked with boys' clubs throughout Chicago for 12 years, has three years' experience in Boys' court also in Chicago and is present working with the Sheriff's Juvenile bureau.

LOST

Little Chuckie Huckens, 4 years old, is still hoping someone will return his kitten, Boots, who was lost March 31. If some kind person has been caring for her, he hopes you will call his mother, Mrs. Charles Huckens at SYcamore 8-7873. Boots is black with white markings.

REMEMBER

Vote for the new school board April 12. See you at the polls!

Law On The Farm

By JAMES J. ELSON,
Member of the Illinois Bar
The recorder of deeds is an important official so far as Illinois farmers are concerned. His office contains records of deeds, mortgages and other legal documents affecting real estate.

The recorder of deeds is elected in counties having a population of 60,000 or more. In other counties, the clerk of the circuit court is the ex-officio recorder of deeds.

The duty of the recorder is to keep a permanent record of deeds and other eligible legal instruments offered for recording. At one time these documents were copied at length, either by hand or by typewriter. The copies were then filed for record. Modern science has assisted the recorders in performing this task, and now it is permissible for him to make photographic or photostatic reproductions of all or parts of instruments if the copies are complete and intelligible. Certain instruments and documents, like chattel mortgages, bills of sale of personal property and certificates of discharge from the armed services, may be microphotographed or reproduced on film.

Recorders are required by law to keep certain books. These are 1, an entry book showing the names of the parties appearing on each instrument, the month, hour and year of receipt and a brief description of the premises;

2, a grantor's index showing the name of each grantor in alphabetical order, the date and type of instrument and other details; 3, a grantee index; 4, an index to each book of record; and 5, an index to recorded maps, plats and subdivisions. In addition, the county board may require the recorder to keep a "tract index" showing a true chain of title to each tract of land as shown by the records.

The general public is entitled to examine the records and to make notes of memoranda therefrom at any time during the hours the recorder's office is open. However, the recorder is not required to assist persons in making notes, nor does he need to make duplicate or copies of

instruments unless it is for a uniform fee as part of routine business.

The average person requires about 11 pounds of salt per year.

The Mothers' Club of 33-C will meet in the school April 17, in the evening. A white elephant sale will be a feature. A roller skating party is being sponsored by the group at the Lockport rink Sunday evening, April 13.

Mr. and Mrs. C. G. Rowley left last Monday for a few days' visit in the home of their daughter, the Iaverne Kaspers, in California. They will return soon after Easter.

Henry Rodgers underwent minor surgery at Silver Cross hospital last Monday. He is doing well and expects to come home Tuesday of this week.

Mrs. Rodgers was detained from her school duties because of her husband's illness and Mrs. Harvey Ingersoll and Mrs. Ray Carlson substituted for her.

The Joe Vancil family of Downers Grove visited relatives here Sunday and Ruth Vancil remained to spend the week with her grandmother, Mrs. Ira Anderson, and other relatives. Easter Sunday, Mrs. Carlson accompanied Mrs. Vancil and her daughter, Nan, to Missouri, where Nan returned to Lindenwood college following Easter vacation.

Stewart Reiter is home from University of Illinois for the spring holidays.

The daughter of Mr. and Mrs. Lester Erdman, Kathleen Marie, and the son of Mr. and Mrs. Donald Aspel, Stephen Patrick, were baptised in the Homer church Palm Sunday. Special music was a trio in which Mrs. Lois Swanson, Mrs. Ray Hanson and Mrs. John Hollister were the participants.

At the Maundy Thursday service, 11 new members were added to the church, some by letter and some by affirmation of faith. They are Mr. and Mrs. Lorn Aspel, Mr. and Mrs. Donald Aspel, Mr. and Mrs. Dennis Simpson, Mrs. Leon Phillips and son Lee, Miss Faye Anderson, John Filipowicz and George Burcham, Jr.

Victorious Swimmer

J. Martin Mlynarik, son of the Joseph Mlynariks of 143rd st., Homer township who resides in Carey hall west, at Purdue university, during the school year, recently won honors for himself, his hall and his school, when he emerged victorious from a swimming

contest. He won first in solo butterfly and breast stroke, also first in a nine man medley relay, and with other contestants from his hall, outscored their nearest opponent by 22 points. This is the third time that Martin has brought home a trophy for the Mlynarik knick-knack shelf. He has placed first in seven of eight such events.

Country Charm News

The Country Charm 4-H club met at the northwest Homer fire barn Wednesday evening, April 2. Members brought the branches of forsythia, lilac and pussy willow which they had forced and arranged at home. The display was judged by the group. Susan Kenney talked on bicycle safety; Kathie Bier on her sewing project, and Edna Mae Burcham demonstrated the preparation of deviled eggs. Happy birthday was sung to Susanne Burcham who was celebrating her 17th birthday, and dancing finished off the evening gayly. The next meeting will be held April 16 at the Fire barn, at which time Kathie Bier, Linda Nelson and Susan Kenney will give cooking demonstrations and Mary Snyder will talk on hazards in the house. Mrs. Galen Holloway is the leader.

Spring Church Meeting

The Central association of Congregational churches will hold their spring meeting in the Homer church Saturday, April 12, from 2 to 4:30 p.m. Following the worship service there will be reports, discussions and other business of interest to continuing congregational churches. Four voting delegates have been appointed from each church represented, but all interested people are urged to attend. A social hour will follow the meeting.

The Good Luck Camp of Royal Neighbors will meet in the Ho-

EVERYBODY DOES IT

The wrong way to tie up your soiled clothing and flatwork, according to American Institute of Laundering, national trade association for the professional laundry industry, is to use a knotted sheet. Use a sturdy laundry bag, tightly tied, to replace the much-abused sheet, never intended by the manufacturer to be used as a carry-all.

"POWR-LOK® Test"!

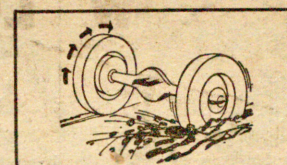

It's next best to having traction power
on all four wheels—and the cost is so low!

POWR-LOK is an ingenious new differential that gives power to the rear wheel that has the most traction.

With POWR-LOK you pull through mud holes, loose sand, other slippery places that would normally stop a truck with standard differential.

So don't spin your wheels. Be sure your next truck is an INTERNATIONAL with POWR-LOK differential. Come in and see our convincing test, first chance you get.

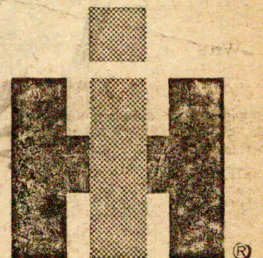

How POWR-LOK Works

With a conventional differential, power goes to the wheel with the least traction. This results in a loss of power—and you're stuck. But with POWR-LOK, power goes to the wheel with the most traction. So long as either wheel can catch hold, you keep moving.

CHRISTIAN SCIENCE CHURCHES

How spiritual understanding of God's law of harmony brings healing and redemption will be set forth at Christian Science services Sunday, April 13. Keynoting the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" is the Golden Text from Jeremiah (17:14): "Heal me, O Lord, and I shall be healed; save men and I shall be saved: for thou art my praise."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (472:9-10): "Sickness, sin and death, being inharmonious, do not originate in God nor belong to His government."

Scriptural readings will include the following (Psalms 33:4,5): "For the word of the Lord is right; and all his works are done in truth. He loveth righteousness and judgment: the earth is full of the goodness of the Lord."

"Husband-hunting is probably the only sport in which the animal that gets caught has to buy a license."—The Ava Citizen

How many of these electric helpers
have you added since 1947?.... asks LITTLE BILL

☐ a ☐ b ☐ c ☐ d ☐ e ☐ f ☐ g ☐ h ☐ i

You're an average family if—in the postwar years you've added six new electrical appliances. Shown here are a few typical examples.

This is why you're using far more electricity nowadays than you did just a few years ago. And why life is a lot easier. But of all the things you buy today, electricity has gone up less than almost anything else.

So, while your bill may be a little higher, electricity is actually doing nearly twice as much work for the money now as it did years ago.

See how little it costs to run each of these electric helpers.

a—Automatic washer—3 loads for 1¢. Saves hours of work each week.

b—Electric dryer—6¢ a load is all you pay to dry the clean electric way.

c—Hi-Fi—5 hours for 1¢. 10 long-playing records played for a penny's worth of electricity.

d—TV set—2 hours for 1¢—The world's finest entertainment for pennies a day.

e—Sewing machine—runs 5 hours for 1¢. (Easy way to stretch your clothes budget.)

f—Refrigerator—3¢ a day. New under-counter model is handy for soft drinks, ice, or snacks.

Other appliances shown include:
(g) Steam iron—Glides along easily on its own cushion of steam for 1 1/3¢ an hour,
(h) 150-watt lamp—Good reading light costs but a penny for 8 full hours, (i) Electric clock—the exact time, just 1¢ a week.

than it did 25 years ago!"

first of March they had 5 per cent more hogs over six months old than they had last year, but this was in line with the six per cent increase in farrowings last June-August. Hogs three to six months old numbered 1 per cent more than the year before and will constitute most of the market supply for the April-June quarter.

Spring pig (farrowed December-May). There were 12 per cent more pigs under three months old on farms March 1 this year than last. This figure reflects heavy losses at farrowing, because 15 per cent more sows farrowed this past December-February than the year before.

Farmers expected to have only 1 per cent more sows farrow in March-May than they had last year. Altogether expected spring sow farrowings (December-May) were reported to be 6 per cent more than last year, but most of this increase is in "winter" farrowings, pigs already on the ground March 1. This will add to the slaughter for July-September—not to the usually big October-December supply.

1958 fall pigs. Farmers indicated that June-August farrowings would be up 13 percent over last year. This period covers the first half of the official fall farrowing season and usually includes about half of the total fall pig crop.

Farmers did not report their farrowing intentions for the last half of the fall season than in the first. For example, last fall June-August farrowings increased 6 per cent, while there was no increase for September-November. This spring there is an increase of 15 per cent in farrowings for December-February, but an intended increase of only 1 per cent for March-May. These changes are part of a trend toward more uniform year-round production.

Many farmers are still looking back over their shoulders to 1955, when hog prices hit bottom in the year. Altho hog production is increasing, prospective supplies per person are far less than those suddenly pushed at consumers in 1955-56.

Reported percentage increase of 6 per cent in the spring pig crop would make only 4 per cent more hogs per person.

The 1955 spring pig crop totaled 57.7 million head. The prospective spring crop for 1958 is only 55 million head. Thus this pig crop is 4 per cent smaller than that of three years ago, while population is 5 per cent greater. The reduction under 1955 therefore amounts to about 9 per cent per person.

While prospective pork supplies are moderate, prices may suffer this year because of in-

creased supplies of beef and poultry and shrinking consumer demand. Next year the pressure of beef supplies may be eased, and we can hope for a recovery of consumer demand.

U. S. railroads represent an investment of about \$35,000,000,000.

Builder Appeals From Fine For Violating Code

(CNS) The case of a Homewood builder, fined \$500 for allegedly failing to make sewer connections in the village, will be heard in criminal court.

He is Arthur Severson, 18116 Riegel road, who asked for a jury trial in appealing the fine levied Feb. 18 by Police Magistrate William C. Carrier.

The case was first appealed to Circuit court, which dismissed it for want of jurisdiction. On March 11 Circuit Judge William J. Touhy vacated the Circuit court order on a motion of the defendant and transferred the case to Criminal court.

Judge Touhy abided by a recent Illinois Supreme court decision involving the question of jurisdiction in vacating the circuit court order, according to Homewood Attorney Thomas J. McGrath.

No date has been set for the Criminal court hearings.

Homewood charged Severson violated the village code by failing to connect buildings within the village to accessible sanitary sewerage lines at the following locations and during the periods listed:

18116 Riegel road, May 22, 1955 to September 22, 1956; 18140 Riegel road, May 22, 1955, to October 1, 1955; 19136 Riegel road, May 22, 1955 to Oct. 1, 1955.

Severson, represented by Attorney Benjamin Sacks, contends he isn't guilty under the terms of the village ordinance.

Illinois Farmers Outlook Letter

By L. H. SIMERL

Hog prices seem likely to remain favorable to producers for another 15 to 18 months. This does not mean that prices will be so high as they have been in recent months, but, rather, that well managed hogs will pay more than market prices for the corn fed them.

Farmers are cautious. They show no signs of suddenly flooding packing houses with pork as they did in 1955. These tendencies are apparent from the quarterly pig crop report released recently by the USDA.

Market hogs (1957 fall pigs). Farmers are marketing hogs promptly as they reach desirable slaughter weights. The

Accepts \$14,000 In Settlement of Death Claim

Two suits filed as a result of fatal injuries to Alphonse G. Kohl, late of Marley, have been settled out of court for \$14,000. The actions were brought by Mrs. Alma Kohl, widow of the victim, thru her attorney, Albert H. Krusemark, Jr.

Alphonse Kohl was killed last May 23 when he was struck by a car driven by Kenneth Southcomb, 30, of 320 S. Reed st., Joliet. An employee of the American Steel and Wire Co., Kohl had just left the plant and was walking across State street, near Franklin, when he was hit.

One of the suits was directed against Southcomb and the other, a dram shop action, was filed against three Joliet tavern operators. Southcomb is alleged to have been served intoxicants in the saloons operated by the three defendants.

The cases were just about to be called for trial when it was announced that a settlement had been reached and the actions dismissed.

Homewood Players Choose Directors Would Use Women

The Homewood Players, Inc. elected Bob Goers, Markham, Norm Paasch, Harvey, and Loring Stevenson, Homewood to direct their next season's productions.

All three directors, chosen by the group's executive board from a slate of five, have had previous directing experience.

Stevenson said the slate and dates of the plays for next season will be announced presently. Among the titles being considered are "Mr. Roberts," "Dial M for Murder," "Tea and Sympathy," "The Seven Year Itch," and "Sabrina Fair."

The large turnout at the Property Owners association meeting last Thursday indicated increased interest in community affairs. Association survey on annexation to Tinley Park thru unbiased door to door poll of 96 homes resulted in the following: 70% in favor of not annexing; 30% in favor of annexing.

Just one week ago today there were fire engines racing to the Halls' house. Luckily, the grass fire was checked before getting out of hand, but a special plea is made to refrain from burning garbage in strong winds.

Our good neighbor and civic-minded friend Joe Yokley, who is always out working for the good of the community, is the only announced school board candidate. This Saturday let's show our appreciation by getting out to vote at Kirby school. You need not be registered to vote for school board member.

Congratulations to newly elected president of the Mothers club, Flora Snyder! Also to Irene Bettenhausen, vice president; Myrna Evans, secretary; Pat Mihalovits, corresponding secretary; Becky Rankin, treasurer. Another hot dog luncheon is tentatively planned for April 22.

Last week I misspelled the name of the Hooze family, and apologize. I'm sorry to have to mention the Hooges again with illness, and our wishes go to Walter Hooze for a speedy recovery. Last week he entered Hazelcrest hospital.

Mrs. Agnes Opel, mother of Agnes Peters, was honored at a family birthday party at the Peters home Sunday. The whole family attended, representing three generations. And a good time was had by all except the turkey!

Thanks to Ruth Uitto and Mary Seppa for a job well done in creating metal street signs which will be clearly visible in the dark. The metal was donated by Louis Flood, aluminum nails by Janice Bell. Next—teen agers will erect the signs.

Talking of signs, the Association voted to acquire and put up "reduce speed" signs for safety of children in the area.

All those who like to bowl are invited to sign up for the mixed league being set up for this summer, at the next association meeting.

Mr. and Mrs. Eugene Thomas were visited by their cousins, Mr. and Mrs. Delbert Marschall and family, Milwaukee, recently.

Jim Spainhour went along with Gary Bressi to he navy. All he had to do was enlist! Incidentally, Jean Flood was hostess to 26 teen agers at a farewell party she gave in their honor. The boys will be stationed in San Diego.

Mr. and Mrs. Harvey Uitto

had Mr. and Mrs. Stanley Uitto, Mr. and Mrs. Besola, Negaunee, Mich., Sunday.

Mary Seppa was surprised last week with a birthday party for her, given by neighbors attended by Ruth Uitto, Bertha Frye, Janice Bell, grandmother, aunt and "all the kids."

The Seppas had a large family gathering at their home Easter Sunday. I'm sure this scene was repeated in many homes throughout the area. The Bormets and family enjoyed a cake in the form of a beautiful Easter bonnet, with colored eggs for the children.

A Tuesday afternoon social club has been formed: members Hazel Cammire, Jean Flood, Jean Webster and Julie Oehmen had their first meeting at Julie's house. Refreshments were served.

Mr. and Mrs. N. Bink enjoyed a week long visit from sister and brother in law, Mr. and Mrs. C. J. Boersma, Sioux Falls, South Dakota. The children came along too.

Thanks to the teen agers in our community for their splendid action in collecting whatever they could for the Carlton family. The teen agers want to thank all neighbors who readily answered their plea for the Carltons. Pride is foolish in emergencies—and there is a need for help—let's bring food baskets and anything we can to the Carlton family—each and every one of us.

Tots May Visit Orchard Hill During April

Pre-kindergarten children, 4 to 5 years old may visit Orchard Hill farm kindergarten, near Tinley Park, during the month of April.

They may ride the school bus and attend a regular morning session. They will also visit the barn and pasture and meet the pony, horses, duck, and cow.

Mothers will view the large scrapbook showing activities of the last 11 years—trips to the round house, airport and fire department the round-up and Halloween party.

Foreign visitors will also visit Orchard Hill. An exciting visitor, Pipe Major Sim, leader of the Stockyards Kiltie band will play the bagpipes for the children and fathers, complete in his Scottish regalia.

the school's activities will be shown to parents. An Open House will be held in the Carriage house, a recent addition to play activities at the school.

Mrs. Leslie Johnson, who opened the school in 1946, is assisted by the following members of her staff at the school: Mrs. Norman Lugar, of Markham; Mrs. Vincent VanSlyke, Mrs. Wilbur Mager, Mrs. Robert Hult and Mrs. Charles Robinson, all of Tinley Park; Mrs. Anthony Adduci, of Midlothian and Mrs. Frank Smith.
